APPLICATION

Stir well before use

Surfaces must be clean, dry and free from foreign objects and substances.

Chalk Paint of Mondo bello is directly applied to the surface of 1 or 2 coats depending on the desired effect. No sanding or priming of the surface is required, except on very glossy surfaces. For better adhesion rub the surface with sandpaper number 180 and above.

For dichromate: Apply two coats of different color. When the surface is dry, locally scrub the final color with sandpaper to the points you want so that the previous shade appears and the surface gets an impressive vintage or shabby chic look. Apply with wax Mondo bello or water-based CHALK VARNISH of TETRALUX for different obsolete results and extra protection.

Product for artistic use.

Minimize paint wastage by estimating how much paint you will need. Recover unused paint for reuse. Reuse of paint can effectively minimize the products life cycle environmental impact. In case of residual paint, keep the container tightly closed after opening and store in dry and cool place out of reach of children. In case of unused residual paint, it is required special handling. Therefore it should not be thrown away into drains, watercourses or soil.

HEALTH, SAFETY AND ENVIRONMENTAL INFORMATION

Handle with care. Before and during use, observe all safety labels on packaging and paint containers, consult TETRALUX Safety Data Sheets and follow all local or national safety regulations.
